Dear Sir/Mam,

I am thrilled to apply for the position of Computer Lab Assistant at CMS School. With a deep enthusiasm for technology and education, I am committed to supporting students and staff in optimizing their use of the school's computing resources.

My background in Information Technology and Software Engineering Role in Infosys Limited has provided me with hands-on experience in troubleshooting hardware and software issues, managing computer equipment, and assisting users with various applications. I am proficient in Computer Hardware and Software Troubleshooting, Programming Languages, Web Development, and I have a keen ability to explain technical concepts in a clear and accessible manner.

Beyond technical expertise, I thrive in collaborative environments and am committed to creating an inclusive and supportive learning space. Whether assisting students with coursework, maintaining system functionality, or implementing digital safety protocols, I will take pride in fostering an efficient and welcoming computer lab experience.

Thank you for your time and consideration.

Best Regards,

Satendra Sharma
